From the Desk of the Executive Director ……………..

The state of Odisha is known for its poverty and impoverishment where about half of its population lives under the poverty line and in a state of impoverishment. The Govt. of the day is doing its best to address several issues concerning the poor and the marginalized. But still the results are yet to show at the ground level. As a responsible civil society organisation Centre for Development Services (CDS) is working hard to supplement the Govt. effort by contributing its bit for betterment of the society.

The organisation has come a long way since its establishment in the late 1990s. During the year 2011-12 CDS undertook several programmes and new partnerships were forged. CDS tried to undertake the programme in the unserved and under-served areas and took care to ensure that poor and marginalized, especially women benefited out of the programmes of the organisation.

While implementing the programmes many organisations and people provided moral support to the organisation in implementing various programmes of the organisation. Our supporters and donors reposed their faith on the organisation for which I am thankful to them. I am thankful to ANSA – SAR, SANKALP (USA), BASAID (Switzerland), DWSM (Angul), Australian High Commission, New Delhi (DAP) for their assistance and support. Many charitable people provided their support for fulfilling the objectives of the organisation. I am thankful to them. Last, but not least, the small staff of the organization deserves a special mention for without their active support it would not have been possible to achieve the spectacular results we were able to reach.

I expect that all these people and organization will continue to provide their support to the organization in the future also.

(Er. M. K. Tripathy)
Executive Director

Centre for Development Service (CDS)
GENESIS OF THE ORGANISATION

Centre for Development Service (CDS) has come a long way since its establishment in the late 1990s by a group of people deeply concerned about widespread poverty in the district of Angul who wanted to work for the poor and the marginalized groups by pooling local resources together. It started as a small movement specifically aimed at addressing the local needs of the poor and the socio-economically backward section of the society. In the absence of resources, the organization focused on empowering people through awareness generation so that they could demand and exercise their just rights. Later these initiatives assumed formal shape and became more organized when the organization was registered under Society Registration Act, 1860 and FCRA.

LEGAL STATUS

- CDS is registered under the Indian Societies Registration Act, 1860 (Act of XXI) in the year 1998-99 with registration No. ANL 1604/75 at the district level & later registered at the state level in the year 2003-04 with valid registration No. 21586/21
- The organization is registered under the foreign contribution (Regulation) Act, 1976 in the year 2003 with valid registration no. 104830124
- Registered u/s 12AA of income Tax 1961 bearing No. 117/2002-2003
- Registered u/s 80G of income Tax Act 1962 bearing No. 235 of 2009-10
- The organization has got permanent Account No. AAAAC1945R
- The organization is affiliated with Nehru Yuva Kendra, Khurda bearing No. NYK/BK/252 of 2005-06

The organization has a vibrant executive committee consisting of board members from social sciences, engineering, education background who play a supportive role. Our board has laid down the principles of democracy, equity and social justice as the guiding principles of the organization.

Vision Statement

CDS envisions a society which is based on an egalitarian principle in which the poorest of the poor is also assured the right to survival and a society in which all the people have access to equal opportunity without discrimination on grounds of caste, class, race, religion or region.
Mission Statement
To work for the empowerment of the people, especially the poor and marginalized so that they can undertake the development agenda on their own

OBJECTIVE OF THE ORGANISATION
The detailed objectives are enumerated in the Memorandum of Association of the organisation. However some of the important objectives which are dear to the heart of CDS are –

- To empower the poor and the marginalized to enable them to look after their own development
- To make the women aware regarding their due rights
- To work for the welfare of the children and ensure their rights
- To work for increasing livelihood options for the poor and marginalized
- To train the unemployed youths in vocational and skill training for better job opportunities
- To provide quality health services to the under-served
- To provide quality affordable education to the poor children
- To ensure rights of the dalits & adivasis through a process of empowerment

STRATEGY
Our strategy is to empower the people and make them aware regarding their rights and duties so that they take care of the development process on their own.

STRENGTH
The real strength of the organization is the people and stakeholders who have extended their unqualified support to the organization in every respect.

CORE VALUES
- Honesty
- Thorough Professionalism
- Secular
- Gender-sensitive
- Sincere to the cause
- Committed to the values

GEOGRAPHICAL AREA OF OPERATION
The organisation is working primarily in the district of Angul in which it is working in the blocks of Banarpal, Angul, Chhendipada. Besides, the organisation is also working actively in the capital city of Bhubaneswar in the district of Khurda.
CURRENT PRIORITY AREAS

The organization has outlined the following activities as its priority areas for the next couple of years:

- Livelihood
- Health & Sanitation
- Education
- Environment
- Agriculture
- Women & Child Development
- Food Security
- Income Generation
- Capacity Building
- Social Security

TARGET GROUP

- STs, SCs, OBCs
- Women and Children
- Small and Marginal Farmers
- PRI Representatives
- Grass-root level Institutions
- Poor & Marginalised
- Below Poverty Lines

HUMAN RESOURCES

CDS has a small but dedicated band of professionals who are implementing all the activities of the organisation efficiently. From time to time the staffs of the organisation are provided training both inside and outside the organisation to enable them to contribute more positively. At present the organisation employs 12 no. of full time professionals. Besides, there are more than 15 volunteers who are working for the organisation as per need.

WE ARE PROUD TO BE ASSOCIATED WITH

- Ministry of Environment and Forests, Govt. of India
- State Social Welfare Advisory Board, BBSR, Odisha
- BASAID, Switzerland
- District Water & Sanitation Mission (DWSM), Angul
- SANKALP, USA
- Ministry of Tribal Affairs, Govt. of India
- DFID, UK / PRIA, New Delhi
- DAP, Australian High Commission, New Delhi
- Affiliated Network for Social Accountability in South Asia Region (ANSA-SAR)
CDS is a democratically governed institution which is based on democratic principles of equality and accountability. The General Body is the supreme decision-making body of the organisation which meets at least once a year and major policy decisions are taken at this forum. For day-to-day functioning of the organisation a Governing Body is elected by the General Body for a fixed term. Besides, the Governing Body also elects the various office bearers who are accountable to the General Body. Executive Director is the Chief Functionary of the organisation who manages the affairs of the organisation in good faith in the best interest of the organisation. A broad outline of the organisation structure is given below.
SUMMARY OF ACTIVITIES

CDS undertook several programmes during the year 2011-12. While implementing the programme care was taken to ensure that poor and marginalized were covered under the various programmes of the organisation. A brief profile of activities is given below.

1. PROGRAMME ON HEALTH

Prevention of Malaria

The crippling affect of malaria in most of the intervention areas has prompted CDS to mobilize the communities to take preventive measures and fight with the disease with all seriousness. Bed nets were distributed to 187 beneficiary families of its project area in Fulpada GP under Banarpal Block of Angul district. with support from BASAID, Switzerland in short village meetings in presence of village ward member & local ASHA worker.

The people were advised to use the mosquito nets to protect themselves from mosquito bite and to seek medical attention in case of suspected malarial fever.

Mosquito nets help keep mosquitoes away from people and greatly reduce the infection and transmission of malaria. The nets are not a perfect barrier and they are often treated with an insecticide designed to kill the mosquito before it has time to search for a way past the net. Insecticide-treated nets are estimated to be twice as effective as untreated nets. Distributing mosquito nets is a major component of malaria prevention, community education and awareness on the dangers of malaria are associated with distribution campaigns to make sure people who receive a net know how to use it. The cost of treating malaria is high relative to income and the illness results in lost wages.

2. PROGRAMME ON LIVELIHOOD

A large number of people in Orissa, eastern India, struggle to obtain their basic minimum requirements of life like food and shelter. More than 60% of the population is below poverty line (BPL). Industrialization has been initiated without any socio-economic development of the poorest of the poor. BPL populations are the worst suffers of poverty. Some may even lead a life of homelessness in their own locality. There is an immediate need to extend support in a systematic manner to help BPL get organized, become the self reliant and ultimately lead a dignified life. CDS, an association of a group of committed and professional social workers, has been working in the field of integrated
rural development. The focus of the organization is empowerment of poor and marginalized section of the society through intervention with active involvement of the community. In course of its intervention SANKALP, USA has supported this social organisation to implement a project for socio economic development of the BPL people of Durgaprasadpur village in Talmul GP under Banarpal Block of Angul district. Activities supported under the project are kitchen garden, goat rearing and IHL. Negotiation are also ongoing with BASAID, Switzerland to take up some other activities like renovation of village community centre, avenue plantation, farmer’s training & training of WSHG members on IGP.

3. **TRANSPARENCY AND ACCOUNTABILITY**

CDS over last two year has been implementing the project titled ‘Tapping the potential of pro-people legislations for ensuring social accountability and livelihood security of poor and marginalized of select district of Odisha’, in 10 Gram Panchayats (GPs) of 03 Blocks of Angul district, supported by ANSA-SAR. The prime focus of the project has been to empower local communities with adequate knowledge and skill to make the governance system responsive and accountable and to facilitate a process of inclusive growth and economic empowerment of poor and marginalized. Towards this end, CDS over the period of time has been putting its best efforts to sensitize the stakeholders on progressive legislations, rights and entitlements of the poor and marginalized, issues pertaining to service delivery and possible ways to strengthen the service delivery mechanism. The organization, towards establishing social accountability mechanism to improve the governance and making service delivery more effective, has been facilitating Community Score Card (CSC) and Citizen Report Card (CRC) in all 10 GPs of three operational Blocks. The activities under the project are elaborated below -

(a) **Training of RTIA & AF on progressive legislation**

During the reporting year a two- days training programme was organized at Badkera of Angul district from 21st to 22nd April 2011 on RTI Act for the RTIA & AF. Mr. Pradeep Pradhan, an RTI expert of the state was the key resource person to facilitate the sessions in two days.

During the discussion process Mr. Pradhan gave a clear idea about Section (6), under which a citizen has to submit an RTI application to seek information from any Public Authority. He facilitated exercises to fill up Application Form for
seeking information from Public Authorities under RTI Act. Mr. Pradip Pradhan helped the participants to understand the way to frame questions by providing several examples and through group exercises.

(b) Training of RTIA & AF on Citizen Report Card (CRC)

During the reporting year a two- days training programme was organized at Badkera of Angul district from 9th to 10th June 2011 on CRC for the RTIA & AF. Mr. Saroj Kumar Barik from the ANSA partner organization ADHAR, Bolangir was the key resource person.

During this two day training program Mr. Barik discussed about various stages of the CRC which are given as below;
1. Defining the Scope of CRC
2. Development of Instrument
3. Sampling Design
4. Data collection
5. Analysis
6. Interpretation

Group exercises were conducted to prepare and finalize the survey questionnaire, which would be used during the field survey on implementation of MGNREGS in the project area.

(c) Training of Community Leaders & WSHG leaders on progressive legislation & Entitlements

To reach out wider community and disseminate information relating to progressive legislation CDS has adopted the strategy to build up the capacity of the community leaders including opinion makers, women SHG leaders and others. The organization over the period of time has been focusing on building the capacity of the community leaders with adequate knowledge and skill on progressive legislations, particularly on rights and entitlements of poor and marginalized. The objectives of such initiative are to generate awareness about the provisions of progressive legislation among masses, build adequate capacities within communities & CSOs to effectively use the social accountability tool & provisions contained in these laws and initiate dialogue with government and other stakeholders on emergent issues.

In this context, during the reporting period CDS conducted two (4) block level training programs on progressive legislation & Entitlements for the above mentioned categories of people at Maa Budhi ITI on 25th, 27th September 2011 & 22th, 29th January 2012. Mr. Laxmidhar Biswal, Former APD (MIS), DRDA, Angul & Mr. Dilip Satpathy, Programme Officer, ISED, Angul were the resource persons.
to facilitate these training programmes. Various entitlement programmes, the procedures to avail the same were discussed in the training programme. The training resulted in building up the understanding of the participants and increasing their confidence to work for their communities to access their rights and entitlements. The participants also discussed about the actions to be taken up at the community level towards mass awareness and use the social accountability tools to make the governance institution accountable and transparent.

(e) Training of Community Leaders on Citizen Report Card (CRC)

The Citizen Report Card (CRC) is a simple but powerful tool to provide public agencies with systematic feedback from users of public services. The CRC addresses critical themes in the delivery of public services such as access to services, quality and reliability of services, problems encountered by users of services and responsiveness of service providers in addressing these problems, transparency in service provisions like disclosure of service quality standards and norms, and costs incurred in using a service including hidden costs such as bribes.

CDS has been facilitating the CRC process in its operational villages in Angul district under the project supported by ANSA-SAR. During the reporting year CDS conducted two block level training programs for community leaders to acquaint them the use of CRC at Gatigour public School, Badakera from 5-6th & 7-8th August 2011. Internal trainers facilitated the training program and discussed about various stages of CRC. The resource persons made the participants aware about the process to take this tool to community level and enable them to learn about preparation of citizen report card on various issues including implementation of MGNREGS. Sample survey formats were also discussed in the training program.

(f) Facilitation of Community Score Card (CSC) in select village sites

CSC is basically a community empowerment tool which provides a forum for direct and constructive engagement between service users and providers, gives opportunity for joint decision making and immediate feedback to the service providers on areas of improvement.

CDS has facilitated CSC process in eight (8) operational GPs to help the communities to assess the quality of service delivery and performance of the service providers on key public services like PDS, rural employment scheme, health and sanitation, primary education etc. These are

- Tubey – Health & Sanitation
- Para – Public Distribution System,
This process also helps enhancing quality and efficiency and effectiveness of service delivery and performance of service providers, ultimately resulting in promotion of good governance (accountability, transparency and participation) in the process of public service delivery.

(g) Organising ‘Kala Jatha’

Kala Jathas are cultural mobilisation campaigns conducted across the country by civil society organisations to create awareness among masses through folk songs and dances, street plays and several other cultural programs. CDS used the tool to create mass awareness on progressive legislations at select performance points of the project area and covered the entire project GPs. Three progressive legislations (MGNREGA, FRA, & RTI Act) were described through song and dance along with music to attract the people.

The cultural troop under Kala Jatha program, organized by CDS, moved GP to GP to generate awareness on progressive legislation with overwhelming support and cooperation from the people. Folk songs and dances were felt to be the best media to communicate/disseminate messages among the rural communities. It has created tremendous impact on the villagers and has helped to develop the knowledge and understanding of the common villagers on the progressive legislations and their entitlements under various Government Schemes. Increased participation in CSC and CRC processes shows the results of this initiative.

(h) People’s convention on Social Accountability issues

A people’s convention on accountability & transparency was held at Maratira of Angul ‘a central point of the project area’ on 4th September 2011. It was a platform where the people could share their experiences, learning and also discussed and debated around several issues such as IAY, PDS, water supply, MGNREGS, FRA, etc. This people’s convention was not only a show of community strength but also
facilitated greater solidarity amongst different local groups particularly the labour associations of the project area. Nearly 150 community members from different villages of the project area participated in this programme. One of the elderly social activists of the area Mr. Sisir Tripathy facilitated the discussion. All accountability workers and project staffs of CDS were also present during this programme.

(i ) Dialogue building workshop

During the reporting period a ‘District level Dialogue Building Workshop’ was organized in collaboration with the Zilla Parishad, Angul on 23rd September 2011 in DRDA conference Hall, Angul. The workshop was participated by more than 80 persons including village leaders, elected panchayat representatives, Government officials, intellectuals, media persons and others. The villagers, where CSC process has been facilitated, shared the process followed and learnings. The issues and concerns of the people were discussed and the forum identified the critical gaps to strengthen the relationship between service providers and service users. The participants including elected representatives and Government officials present in the workshop highly appreciated the process initiated under the project and urged to extend the same to other areas of the district.

(j ) Training of RTIA & AF on Advocacy & Networking

An orientation training program on Advocacy and Networking was conducted on 17th November 2011 for project staffs and local facilitators at Badkera of Angul block. This training was organised with an aim to equip them with necessary skills, tools and techniques so that they can function as effective grass root facilitators. Mr. Nirakar Beura, State Convenor, Panchayat Research & Action Group (PRAG), Odisha was the key resource person to facilitate the training program. The program was primarily conducted in Odia language and with participatory methods. In course of the training program a detailed discussion took place among the trainees and trainer tried to discuss the present day crisis and the possible ways out. Participatory activities, cross check question-answer, group discussion and deep understanding with conceptual clarity were the key focuses of the program. During the training the KRP tried to discuss different aspects of Advocacy & Networking and enhanced the knowledge level of trainees.
(h) Training of elected PR Representatives/Govt. Officials on Progressive Legislation

To reach out wider community and disseminate information relating to progressive legislation CDS has adopted the strategy to build up the capacity of the elected PR members & local govt. staffs. The organization over the period of time has been focusing on building the capacity of them with adequate knowledge and skill on progressive legislations, particularly on rights and entitlements of poor and marginalized. The objectives of such initiative are to generate awareness about the provisions of progressive legislation and other entitlement programmes among masses, build adequate capacities within communities to effectively use the social accountability tool & provisions contained in these laws/schemes and initiate dialogue with government and other stakeholders on emergent issues.

In this context, during the reporting year CDS conducted two (2) block level training programs on progressive legislation & Entitlements for the above mentioned categories of people at Maa Budhi ITI on 20th & 27th November 2011. Mr. Laxmidhar Biswal, Asst. Director (Statistics), DPMU, Sambalpur was the key resource person to facilitate these training programmes. Various entitlement programmes, the procedures to avail the same were discussed in the training programme. The training resulted in building up the understanding of the participants and increasing their confidence to work for their communities to access their rights and entitlements. The participants also discussed about the actions to be taken up at the community level towards mass awareness and use of the social accountability tools to make the governance institution accountable and transparent.

During the reporting year CDS conducted another two (2) block level training programs on progressive legislation & entitlement programs for the newly elected PRI members at Maa Budhi ITI on 18th & 25th March 2012. Mr. Laxmidhar Biswal, Asst. Director (Statistics), DPMU, Sambalpur facilitated these training programmes. Various entitlement programmes, the procedures to avail the same were discussed in the training programme.

(j) District Level Media Workshop

Engaging media in the process of project implementation had been one of the key thrust areas, to refresh knowledge base of media personnel on MGNREGA, FRA, RTI Act & other entitlement programme one more District level Media Workshop was organised at conference hall of Hotel Prasanti, Angul on 30th December 2011. Most (30) of the print media personnel from reputed dailies & electronic
media working in the area participated in this workshop. Media persons present in this workshop evinced serious interest in issues related to these issues and promised to contribute more vigorously for effective implementation of such programmes. Similar such workshops would be organized in future to refresh knowledge base of media personnel on the subject and provide them the necessary motivation to contribute to a societal and livelihood cause.

(j) Sharing of study on implementation of MGNREGS at for preparation of Citizen Report Card (CRC)
Facilitating better use of Citizen Report Card (CRC) as a social accountability tool to understand and assess the ground reality and record the voices of the citizens on implementation of MGNREGS in 10 Gram Panchayats of Banarpal, Angul and Chhendipada Blocks in Angul district of Odisha for ensuring entitlements and livelihood security for marginalized sections was a challenging task before us. However the ultimate objective was to design a Citizen Report Card (CRC) on MGNREGS and strengthen implementation of the scheme with active involvement of service users and service providers. The current survey provides all necessary evidences on ongoing process of MGNREGA which was shared at block levels to invite inputs for process improvement.

Earlier baseline survey and gathering the responses of citizens on implementation of MGNREGS was facilitated by CDS in participatory manner. This was done through administering questionnaires, interviews and focus group discussions covering 300 respondents in 20 villages, two villages from each target area GP. The information collected has been thoroughly checked/ verified by the project team and the compilation work was done accordingly. The team, after compilation of information, analysed the data and the findings of the survey were shared at block levels involving stakeholders to ensure improvement in service delivery.

Besides that a district level workshop was organised in order to share the information with all district level officials and stakeholders on 22nd March 2012 at the Angul DRDA conference Hall. The findings of survey of all three blocks were presented in the district level workshop by Er. Mahendra Tripathy, Executive Director, CDS. A total of 77 participants participated in this programme including Govt. officials like DRDA Project Director Mr. Uddhab Kar & Additional Project Director Mr. Nigamananda Panda, Dist Program Coordinator (MGNREGS) Ms. Priyanka Mohanty, APO (MGNREGS) of Angul & Banarpal Block, Prominent media persons, newly elected PRI members, senior social activists, community leaders, CDS accountability workers etc. After two hour discussion suggestions for reformations were noted.
(k) Development of IEC Materials

As a part of information dissemination, organisation publications on Entitlement programmes, Guidelines of MGNREGA & RTI Act in local odia language were distributed to all the participants/stake holders during various training programmes organized under the project. Several community education materials were also circulated for benefit of the community. Quarterly news letters were also published & distributed to a wide range of local stakeholders including government agencies and departments.

4. PRIMARY EDUCATION PROGRAMME

CDS is working on primary education since 2003. In order to provide quality education to the children belonging to the poor and the marginalized class the organisation running a public school from own sources at Palasuni, Bhubaneswar. In this school more than 60 children from pre-nursery to class II are provided quality education through trained teachers and care givers. Extra curricular activities were also organised.

5. Total Sanitation Campaign:

CDS continued with its programme on Water and Sanitation during the reporting period. Providing safe drinking water and a good sanitary condition to the people is a prime focus area of CDS. The organization is associated with District Water and Sanitation Mission, Angul in the Total Sanitation Campaign that is being undertaken in the District. Till date 318 Individual Household Latrines were constructed for BPL categories of people in Fulpada & Talmul GP of Angul district and in addition to that lots of sanitary materials were provided to the APL categories of people on cost of pay. The organization took care to provide quality hardware which is essential to motivate people to encourage them to use the latrines.

6. TRAINING AND CAPACITY BUILDING

From time to time the organisation sends its professionals to various organisations and agencies to undergo training and capacity-building programmes. The members of the organisation attended the following seminars and workshops which helped them strengthening their inner-self to work more efficiently.
